Recommended Engineering Portfolios from Joe Kendall '09

http://dicksonchow.com/ - experienced creative director who was rejected from IBM design 3 times (with a worse portfolio)

http://thedezzie.com/ - self-trained UX designer who is a design lead here at IBM design

http://yenloftin.com/ - Early career hire straight out of school for UX at IBM design

http://kathrynmcelroy.com/ - early career hire out of grad school at IBM design, worked through IBM design to now act as a creative director in a local agency

http://josephmeersman.com/ - Director at IBM Design with a varied and very design-typical background

http://cargocollective.com/EricaLeighRaymond/Meet-Erica - the portfolio of a current design researcher at IBM design, as it existed when she graduated from undergrad
